Education

Coe College, Cedar Rapids, IA - Economics August 2020 - August 2021

University of Iowa, Iowa City, IA - Economic Policy August 2021 - Present

Skills

Technical: (Proficient) Microsoft Office, ArcPro (**Familiar**), IOS Apps, Zoom

Professional: Time Management, Leadership, Communication, Problem Solving

Work Experience

University of Iowa Athletics - Fueling Station Attendant August 2021-Present

- Worked with coaches, managers, athletes, and distribution companies to facilitate the stocking of refueling stations for student-athletes within the training facilities as well as their locker rooms.

Rocket Rabbit Flower Farm - Florist March 2021-August 2021

- Worked with peers and the public to make custom floral arrangements, arrangements for sale in local shops, and for a weekly CSA. Utilized previous knowledge of flowers and learned new skills to run a small vendors stand at local markets.

Iowa Dance Collective - Assistant Camp Councileor Summer 2022

- Worked with staff and campers to facilitate a safe and enriching learning environment. Established schedules and specialized programs for students with different needs. Used problem solving and communication skills on a daily basis.
-

Research Experience

Spellman Summer Research in Economics - Apprentice June 2021 - August 2021

- Participated in the Spellman Summer Apprentice program at Coe College, where I did preliminary research and presented a formal research proposal for economic research on the topic of COVID-19 and Income inequality.
